Agent: This is an automated payment reminder. Is it okay to continue?
Customer: yes
Agent: The autopay for Demo Interface Test, transaction TXN-UI-DEMO, failed because insufficient funds. What do you think caused the issue?
Customer: i dont have money i will pay it after 10 days.
Agent: Would you like to pay now, or should we retry later? If later, after how many days?
Customer: in 7 days
Agent: Okay. A follow-up is scheduled for 2026-10-09. Goodbye.

Attempt 1: Simulation

02/10/2026, 10:21:26

Each attempt is started manually. A retry date is recorded, but this demo does not automatically dial or charge customers.
